4th MAY 2020

To All the Conference Participants

Dear Sir/Madam,

The Local Planning Committee for the 8th National Early Childhood Intervention Conference would like to announce that the conference is postponed to 2021. The Conference was planned to take place on 5 – 7 June 2020, but this has changed due to unavoidable circumstances. The committee is unable to set a date until at least September 2020, but has planned for the Conference to take place the **earliest** by June 2021 (meaning to say, the Conference will not be held before June 2021).

In light of the current situation concerning Covid-19, the committee, together with the National Early Childhood Intervention Council, have decided to postpone the scheduled conference. The Council and committee understand that this decision is the best for our speakers, those involved in planning this event and all conference participants.

We apologise for the inconvenience that might result in this change. We hope to bring you more information by September 2020.

Please do not hesitate to contact the Secretariat at necic2020@gmail.com or if you need further clarification. Please also remain updated through our new website address on <https://www.necic2020miri.cf/>.

Thank you for your understanding and support.

Take good care and best wishes.

Yours sincerely and with blessings,

Madam Liza Chai
Chairperson for NECIC Conference 2020

Cc. Secretary, Local Planning Committee
