To All the Conference Participants

Dear Dato/Datin/Dr/Sir/Madam,

New Date for 8th National Early Childhood Intervention Conference in Miri, Sarawak (Update)

It has been a hard time for all of us with the current COVID-19 pandemic, and 2021 has not been much of an improvement. Nonetheless, we hope you are in good health and coping well. We hope the global situation will improve and soon we will be able to meet with less restrictions.

In our last letter dated 5th November 2020, the Organising Committee for the 8th National Early Childhood Intervention Conference postponed the above Conference to a date in December 2021. However, taking advices from the experts and various authorities, the Organising Committee has recently met and with regret, made the decision to further postpone the above Conference to **28th to 30th May 2022**. We hope most speakers and participants are able to travel and meet in Miri by then. We are working towards a great conference for all of us to meet and gather at the Imperial Hotel, Miri.

We understand that the dates are still a long way to go, and we hope, with the vaccine, we will move out of the COVID-19 pandemic by then. We hope by May 2022 we can hold our Conference in a less restricted manner. Nevertheless, the pandemic situation remains very fluid, and things may change beyond our control. We plan and hope, by February 2022, we will be able to provide you with an updated programme and more details about the Conference, unless deemed necessary to do so sooner if any critical changes.

We look forward to welcoming you to Miri and at the Conference. We have also made plans for recording of selected sessions for those who are unable to attend for all the good reason - but this is still in progress and unconfirmed.

Please do not hesitate to contact the Secretariat at necic2020@gmail.com if you need further clarification. Please also remain updated through our official website (<https://www.necic2020.cf/>).

Thank you for your understanding and support, and we apologise for all the inconvenience caused. Take good care and keep safe.

Yours sincerely and with blessings,

Madam Liza Chai
Organising Committee Chairperson
8th National Early Childhood Conference
