28 JANUARY 2022

To All the Conference Participants

Dear Dato/Datin/Dr/Sir/Madam,

New Date for 8th National Early Childhood Intervention Conference in Miri, Sarawak (Update)

It has been hard for all of us with the current COVID-19 pandemic. Unfortunately, the year 2021 has not been much of an improvement. Nonetheless, we hope you are in good health and coping well. We hope 2022 will be better with the global situation improving, and we will meet with fewer restrictions.

About the letter dated 16 July 2021, the Organising Committee for the 8th National Early Childhood Intervention Conference has announced its decision to postpone the above Conference to May 2022. However, taking advice from the experts and various authorities, the Organising Committee for the 8th National Early Childhood Intervention Conference has recently met and decided to further postpone the above Conference to **3rd to 5th September 2022** to coincide with school holidays set by the Ministry of Education Malaysia. We hope most speakers and participants can travel and meet in Miri by then. Therefore, we are working towards a great conference for all of us to meet and gather at the Imperial Hotel, Miri.

We understand that the dates are still a long way to go, and we hope, with the vaccine and various SOPs, we will move out of the COVID-19 pandemic by then. We hope we can hold our Conference in a less restricted manner by September 2022. Nevertheless, the pandemic remains very fluid, and things may change beyond our control. We plan and hope, by May 2022, we will be able to provide you with an updated programme and more details about the Conference, unless deemed necessary to do so sooner if there are any critical changes.

We look forward to welcoming you to Miri and at the Conference. We have also made plans to record selected sessions for those who are unable to attend for all the good reasons - but this is still in progress and unconfirmed. We will write to you again with more details on this in May 2022.

Please do not hesitate to contact the Secretariat at necic2020@gmail.com if you need further clarification. Please also remain updated through our official website (<https://www.necic2020.cf/>).

Thank you for your understanding and support. Take good care and keep safe.

Yours sincerely and with blessings,

Madam Liza Chai
Organising Committee Chairperson
8th National Early Childhood Conference
